

HFJ-5T2426

JOCKY

All moving computerized quilting machine, with servo synchronization system, auto head lifting and auto trimmer

Features

1. Automatic head lifting, auto trimmer, PLC touch panel;
2. Adopt high precision servo synchronization system, so as to achieve high stability and less noise but high-speed quilting;
3. The area is only 3/5 size of other machine, suitable for workshop and the mall.

MORE INFORMATION

Technical Specification

Model	HFJ-5T2426
Max quilting size	2400x2600mm
Max needle drop size	2200x2400mm
Quilting thickness	≈1200g/m ²
Spindle speed	1500-2500r/min
Needle size	18-23#
Needle distance	2-7mm
Voltage	220V 50Hz
Power	2000w
Dimension	3200x3300x1150mm
Net weight	700kgs
