## Technical Specification

Model	HFJ-8R2628
Machine size(mm)	3400x5500x1400mm
Max. Quilt size	2600x2800mm
Max. needle drop size	2400x2600mm
Quilting thickness	1200g/m <sup>2</sup>
Max. spindle speed	1500-2500r/mim
Needle size/space	18-23#/2-7mm
Voltage	220V 50Hz
Power	2KW
System configuration	AC stepper motor control system
Data interface	A serial port connection, support U-disk
Weight(G.W/N.W)	1000KGS
